Attachments: Ross to RA Ref. Region Cooperation with HQ on Future Actions DRAFT.docx

Mike and Kathy,

Please see for your review and comment, the draft letter to be sent to the regional office administrators. Please note that my notes only captured Dave's want to have HQ involvement with all state/tribe conversations. I don't recall if there was anything else that was mentioned that also needs to have HQ involvement. I tried to keep it broad and I used Dave Ross Memo from April to give me the bulk of the letter. I left track changes on so you can see what I added also I added a watermark to show it is a draft.

Please let me know what your comments are as soon as you can.

Sincerely,

Stephanie
